

REMARKS

Claims 2-45 and 47 are currently pending. Applicants herein present a correct listing of the claims. The listing of the claims filed herein corrects the errors identified in the Notice of Non-Compliant Amendment. Specifically, in claim 20, the clause "alternatively for argon-plasma coagulation and cutting, also argon-supported," was removed and in claim 24 the clause "gas and high frequency" was reinserted. Favorable action on the merits is earnestly solicited.
